LIVING DATA 2025

## INTRODUCTION / BACKGROUND

Keep concise and engaging

## METHODS / APPROACH

Methodology overview
Visual elements encouraged
(Flowcharts, diagrams)

## RESULTS / FINDINGS

Main outcomes with visual impact
Charts, graphs, images
Self-explanatory visuals
(This is your main focus area)

**Design Flexibility**
This layout represents a recommended flow that works well for scientific posters, but it is not mandatory. You are free to organize your content and tell your story in the way that best suits your research. The key is to include all required elements (logos, contact information, clear typography) while creating an engaging and accessible presentation of your work.

## DISCUSSION / IMPLICATIONS

Significance of findings
Real-world applications
Future directions

## CONCLUSIONS

Key takeaways
2-3 main points
Clear and memorable

## REFERENCES

Essential citations only
(Keep minimal)

## ACKNOWLEDGMENTS

Funding • Collaborators
(Brief)
